2023-2024 IMPACT AT A GLANCE

JA Finance Park®

Junior Achievement of the Michigan Great Lakes celebrated the Ribbon Cutting for Karl & Susan Hascall JA Finance Park on December 4, 2023!

JA Finance Park is a Junior Achievement capstone program for personal financial planning and career exploration for 8th – 12th grade students. This program helps build a foundation on which they can make intelligent financial decisions that last a lifetime, including decisions related to income, expenses, savings, and credit. JA Finance Park is a realistic on-site facility where students put into practice what they've learned by developing a personal budget.

JA PROGRAMS MEET MICHIGAN'S NEW PERSONAL FINANCE GRADUATION REQUIREMENT

In response to the new requirement that high school students in Michigan must take a half-credit personal finance course before graduation, Junior Achievement of Michigan is stepping up to help schools and students meet this mandate by utilizing the resources, experience and curriculum of our regional and national offices.

Three JA programs meet the requirements outlined by the Michigan Department of Education and are available to schools statewide:

- JA Finance Park Advanced
- JA Personal Finance and
- JA Financial Literacy

CONTACT HOURS

A 46% increase in contact hours from last year, each day, we work to help young people discover what's possible in their lives. We do this by helping them connect what they learn in school with life outside the classroom. We let them know it's possible to invest in their future, to gain a better understanding of how the world works, and to pursue their dreams.

STUDENTS WHO RECEIVED JA PROGRAMMING

JA's proven lessons in financial literacy, work and career readiness, and entrepreneurship have allowed us to serve over 47,000 students across 50 counties. This is a 9% increase in students served from 2022-2023.

SUCCESSFUL PILOT LAUNCH

In the fall of 2023, we launched our pilot of JA Finance Park. By the end of the school year, we served over 60 schools and 3,400 students.

We are proud to welcome Aquinas College, Biggy Coffee, the Biggy Coffee café, Bradford White Water Heaters, Fox Motors, Gentex, Mercantile Bank, Northpointe Bank, and SpartanNash to JA Finance Park®!

Students were able to experience an immersive simulation that enables them to develop skills to successfully navigate today's complex economic environment and discover how decisions today can impact tomorrow.

We are excited for another successful year ahead as schools are already scheduled throughout the year!
